Thank you for volunteering for Goodwill Columbus to make a good turn for Good Turn Day! We are excited to show you how our stores operate and how your time helps us achieve our mission. Before volunteering, there are rules that everyone needs to follow. Please read them carefully to ensure a safe and fun filled time!

1. Please do not run in our stores! Our stores are filled with lots of employees, shoppers, and volunteers like you. To make sure that everyone is safe, we do not allow running anywhere in our facilities.

2. Wear good shoes! All shoes are good, but when volunteering in a Goodwill Columbus Retail store, you should always wear shoes that cover your toes and tie. This means that a good shoe to wear when you are on your feet volunteering is an athletic or tennis shoe for comfort, safety, and fun!

3. Wear gloves! When you arrive, you will be given a pair of gloves to wear while you are volunteering. Please do not take these gloves off. If you need to use the restroom or eat food please give your gloves to an adult for safe keeping. If your gloves rip or tear, please ask for a new pair.

4. Have fun! We love for our volunteers to meet our staff, shoppers, and other volunteers! Help make the best of your experience as a volunteer by following our rules and wearing a smile.

If you spy someone not following these rules, please tell an adult and they can help!

If you have any questions regarding these rules, please contact Emily Weber at emily.weber@gwcols.com or (614) 729-4770 ext. 203
