Families and Friends Network (FFN) is a membership group comprised of caring individuals who have an interest in promoting and supporting Goodwill Columbus services through advocacy for persons with disabilities.

Our members work together to enhance the quality of life for those participating in Goodwill programs such as Supported Living's social, recreational, educational and athletic activities.

We advocate and raise funds on behalf of those with limited disabilities, particularly for the benefit of those whose needs are not otherwise being served or funded.

We form a cohesive unit dedicated to promoting and supporting Goodwill programs, making friends, having fun and learning while working together.
