

New feature

Care quality score

We're making it easier to find high-quality, affordable care. Next time you search for a provider, be sure to check out their *care quality score* to find the best option for you.

New ways to save on care

More pre-checked urgent care centers

If you live in **OH, GA, or FL**, you now have **pre-checked urgent care centers** available in your **Care Search** tool. These centers offer same-day care that's under your **Benefit Amount**.

Finding a pre-checked urgent care center is easy:

1. Sign in to your member portal and go to Care Search
2. Search for "urgent care" to see options near you

More ways to save on care:

- ✓ Urgent care is usually faster and cheaper than the ER
- ✓ Primary care doctors are great for non-urgent needs and tend to cost less than urgent care
- ✓ Need a prescription? A quick telehealth visit might be your most affordable (and fastest) option

Money-saving tip of the month

Get your labs through Quest Diagnostics

Ask your doctor to send your lab orders to **Quest Diagnostics**. Quest bills us directly, and you'll **earn money back every time**. If you don't have a Quest near you, **LabCorp** is another great option — they offer competitive prices that are always under your **Benefit Amount**.

Money back refers to members' Earned Benefit. See Certificate of Coverage for terms.
